CARILLONS OF THE WORLD

Privately published on behalf of the
World Carillon Federation and its member societies

by

Carl Scott Zimmerman
Chairman of the former
Special Committee on Tower and Carillon Statistics,
The Guild of Carillonneurs in North America

Online Edition (a set of Portable Document Format files)

Copyright 2000-2018 by Carl Scott Zimmerman

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted, in any form other than its original, or by any means (electronic, photographic, xerographic, recording or otherwise) which could have the effect of enabling two or more people to have access to that part simultaneously and independently, without the prior permission of the copyright holder (address at end of next column), except as stated below and in the Terms of Use opposite. In other words, regardless of its actual form, this publication must be treated like a printed paper book, which can be used by only one person at a time.

Notwithstanding the above, the following special permissions are granted:

- (1) to reviewers, permission to quote individual items of information for use in reviews provided that in each case mention is made of the World Carillon Federation, and reference is made to this publication;
- (2) to private individuals, permission to copy by hand any number of individual items of information for personal use;
- (3) to any individual who visits the TowerBells Website, permission to utilize any component PDF file resident there as specified in the Terms of Use opposite;
- (4) general permission to make an unlimited number of print copies of the order form and survey forms for the purpose of communicating with the author or encouraging others to do so.

=====

TERMS OF USE

The PDF files which constitute the online edition of this publication are subject to the following terms of use:

(1) Only the copy of each file which is resident on the TowerBells Website is sharable. That copy is subject to revision at any time without prior notice to anyone.

(2) A visitor to the TowerBells Website may download any of the available PDF files to that individual's personal computer via a Web browser solely for viewing and optionally for printing at most one copy of each page.

(3) A file copy so downloaded may not be further reproduced or distributed in any manner, except as incidental to the course of regularly scheduled backups of the disk on which it temporarily resides. In particular, it may not be subject to file sharing over a network.

(4) A print copy so made may not be further reproduced.

=====

CONTENTS

The main purpose of this publication is to identify and describe all of the traditional carillons in the world. But it also covers electrified carillons, chimes, rings, zvons & other instruments or collections of 8 or more conventional or tubular tower bells (even if not in a tower), and other significant tower bells.

The complete publication (online version) consists of, and the Terms of Use apply to, the following PDF files:

Title & Contents (this page, reproduced in each file)

Introduction - a complete guide to the display and interpretation of site, summary and other information.

North America (carillons, traditional and non-traditional)

North America (chimes, chimolas, rings and zvons)

(North America = The U.S.A., Canada and Mexico)

Central and South America

Africa and the Middle East

Asia and the Pacific Rim

Belgium

British Isles (including Eire)

Denmark and its dependencies

France

Germany (East and West united)

Italy

The Netherlands

Europe and the North Atlantic (remaining countries)

Order form for obtaining standard hardcopy

Survey forms for carillons, chimes and towers

 YEOVILLE S AFRICA
 *See: JOHANNESBURG/Y

ZANZIBAR TANZANIA
 *Location: Cathedral
 Zanzibar, Tanzania
 *Remarks:
 Bells were completely assembled on the
 frame at the foundry, where a drawing
 was made for an advertisement. But the
 tower was too small for the frame,
 so only a few frame sections with bells
 were hung; the remaining bells were
 distributed to various churches.

 - Chimes and rings -

 BETHLEHEM ISRAEL
 *Location: Museum
 Bethlehem (Beyt Lahm), Israel
 LL: N 31.73, E 35.23

 BETHLEHEM, ISRAEL
 The Church of the Nativity
 Manger Square
 Photos of a newer belfry atop ancient
 walls appear to show one large bell
 and four small ones, all hung dead.
 A nearby belfry, which might be on the
 same building or might be the Church
 of St.Catharine (RC), holds more bells.
