CARILLONS OF THE WORLD

Privately published on behalf of the
World Carillon Federation and its member societies

by

Carl Scott Zimmerman
Chairman of the former
Special Committee on Tower and Carillon Statistics,
The Guild of Carillonneurs in North America

Online Edition (a set of Portable Document Format files)

Copyright November 2007 by Carl Scott Zimmerman

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted, in any form other than its original, or by any means (electronic, photographic, xerographic, recording or otherwise) which could have the effect of enabling two or more people to have access to that part simultaneously and independently, without the prior permission of the copyright holder (address at end of next column), except as stated below and in the Terms of Use opposite. In other words, regardless of its actual form, this publication must be treated like a printed paper book, which can be used by only one person at a time.

Notwithstanding the above, the following special permissions are granted:

- (1) to reviewers, permission to quote individual items of information for use in reviews provided that in each case mention is made of the World Carillon Federation, and reference is made to this publication;
- (2) to private individuals, permission to copy by hand any number of individual items of information for personal use;
- (3) to any individual who visits the GCNA Website, permission to utilize any component PDF file resident there as specified in the Terms of Use opposite;
- (4) general permission to make an unlimited number of print copies of the order form and survey forms for the purpose of communicating with the author or encouraging others to do so.

=====
TERMS OF USE

The PDF files which constitute the online edition of this publication are subject to the following terms of use:

- (1) Only the copy of each file which is resident on the GCNA Website is sharable. That copy is subject to revision at any time without prior notice to anyone.
- (2) A visitor to the GCNA Website may download any of the available PDF files to that individual's personal computer via a Web browser solely for viewing and optionally for printing at most one copy of each page.
- (3) A file copy so downloaded may not be further reproduced or distributed in any manner, except as incidental to the course of regularly scheduled backups of the disk on which it temporarily resides. In particular, it may not be subject to file sharing over a network.
- (4) A print copy so made may not be further reproduced.

=====
CONTENTS

The main purpose of this publication is to identify and describe all of the traditional carillons in the world. But it also covers electrified carillons, chimes, rings, zvons and other instruments or collections of 8 or more tower bells (even if not in a tower), and other significant tower bells.

The complete publication (online version) consists of, and the Terms of Use apply to, the following PDF files:

Title & Contents (this page, reproduced in each file)
Introduction - a complete guide to the display and interpretation of site, summary and other information.
North America (carillons)
North America (chimes, chimolas, rings and zvons)
(North America = The U.S.A., Canada and Mexico)
Central and South America
Africa and the Middle East
Asia and the Pacific Rim
Belgium
British Isles (including Eire)
Denmark and its dependencies
France
Germany (East and West united)
Italy
The Netherlands
Europe and the North Atlantic (remaining countries)
Order form for obtaining standard hardcopy
Survey forms for carillons, chimes and towers
